

SAIC - GENERAL ACTIVITY

This SAIC covers any other general activities that are not covered by activity specific SAIC is available.

This activity checklist complements the guidance provided in ANP4914 and provides assurance measures the activity will be conducted in accordance with the ANC's overall Risk Management Policy.

The SAIC has three distinct phases;

- Activity Planning
- Activity Conduct
- Activity Post Conduct

Risk management is to occur through the activity planning and activity conduct stages.

Refer to ANP4914 Chapter 5, Section 1 – Activity Planning

ANP4914 Chapter 4, Section 2 - Supervision

Location	Date	Activity Number	Officer in Charge	Unit/Flotilla

Activity Planning Considerations					
ENVIRONMENT					
Have you:	YES	NO	N/A	Comment	
Assessed the weather and other conditions are suitable to safely conduct the activity				Considerations include but not limited to: Temperature, wind speed, rain, ocean swell and tides, fire danger, thunderstorms, time (daylight / night)	
Assessed the site (facility / grounds) where the activity is to be conducted is applicable and suitable to safely conduct the activity					
Assessed there is adequate lighting available and working for activity, if conducted at night.					
PEOPLE					
Assessed there are a suitable number of qualified ANC personnel to safely conduct the activity, including supervisory ratios				The appropriate supervisory levels vary depending on the activity and other considerations including but not limited to: Gender balance Staff suitability	

				Anticipated environmental conditions and duration of activity.
Received all medical information for cadets and staff (Individual Health Management Plans are up to date and in CadetNet, PE149s have been received and uploaded) in readiness for commencement of activity				Outline any limits to participation, supports required, and details of medication, allergy and anaphylaxis plans
Scheduled an adequate number of stand easy / breaks into the program to ensure cadets and staff have adequate rest				
LOGISTICS				
The joining instructions advised participants of equipment / clothing requirements				Inform cadets and staff of equipment and clothing they should bring. Note anticipated weather conditions and seasonal factors
Communication equipment has been assessed and is suitable for the location and conduct of the activity				Mobile phone / radio
Activity Conduct Considerations				
PEOPLE				
Have you:	YES	NO	N/A	Comment
Conducted an activity briefing prior to commencing the activity				Brief should: Outline the activity Detail what cadets and staff will do and what is expected of them What are the key safety considerations (hazards and risks), site-specific concerns and what are the plans in the case of an incident. Who is the nominated Safety Officer for the activity Advise how to respond to incidents and emergencies Location of emergency muster point What are the first aid plans
Confirmed the Emergency Plan				Details of local hospital and police. Consider situations that could occur and how you plan to respond.

Reviewed PE149s and acknowledge the cadets and staff with medical issues. Specifically, MAMP must detail plans for allergies and anaphylaxis and ensure all members who have disclosed a medical condition have the appropriate medication and quantity that will cater for the entire activity.				Where there is a cadet with a disability, the MAMP must outline how the activity will be adjusted to provide the cadet an opportunity to participate. Or include evidence / advice that such an adjustment is not reasonable / not achievable. All medication required during the activity must be sighted prior to commencement.
Advised members the location of a shaded area where they can rest when required				
Confirmed all members have appropriate participant equipment and clothing				This list includes but not limited to: Drink bottle (filled with water) Hat/Broad Brimmed Hat Have applied sunscreen Suitable footwear for activity Clothing
Confirmed supervisory responsibilities are appropriately assigned.				Supervisory ratios, etc. Are members assigned supervisory responsibilities qualified / experienced and suitably screened?
Advised cadets and staff of safety considerations when conducting activities in the public domain				Staff members are to ensure that no inappropriate interactions occur between youth and members of the public
Completed a head count at commencement and throughout the activity.				Confirmed Numbers of: Officer of Cadets = ____ DAHs = ____ Cadets = ____
EQUIPMENT				
Confirmed a grab bag is provided for the activity and contents checked.				Detail location of grab bag: Refer to ANP4914 Chapter 6 Section 3
Confirmed that all equipment being used fit for purpose and safe				
If manual handling tasks are being undertaken, ensure all members are briefed on the correct technique to be utilised				
ENVIRONMENT				
Confirmed environmental / weather conditions are appropriate for activity				What is the anticipated weather for the activity? Include excepted weather reports and heat/ wind / rainfall considerations
Confirmed adequate shade and shelter is provided				

Confirmed water is available to all members				Calculate the amount of water taking into consideration weather conditions, activity intensity, and event duration.
Confirmed the location and facility is suitable for the activity				
CLEANING				
Confirmed all members cleaning are wearing PPE as listed in the SDS				Refer to ANP4914 Chapter 5 Section 9
Confirmed the area was dry mopped after mopping to reduce residual water				
Confirmed place wet floor signs out in required area				
If use of a ladder is required, always use platform ladder wherever possible				
All members have confirmed they understand that when using a ladder, they must maintain three points of contact at all times, If working from a ladder, work one handed, use one hand to hold onto ladder				Provide name of the adult member supervising anyone working from a ladder:
Confirmed no member is working from a single ladder				
Ensure all power tools used are current for testing and tagging PRIOR to use				
TRANSPORT				
The member(s) of staff responsible for driving and the vehicle(s) used to transport ANC members to and from activities is / are appropriately licensed / registered / insured?				
The member(s) of staff responsible for driving are not impaired by fatigue prior to driving?				
The vehicle(s) used to transport all members to and from activity is appropriately maintained and suitable for the activity?				

Post Activity Considerations				
Have you:	YES	NO	N/A	Comment
Completed head count on completion of the activity.				Confirmed Numbers of: Officer of Cadets = ____

			DAHs = ____ Cadets = ____
Confirmed that all applicable Incident Reports & Sentinel Reports have been submitted/lodged?			Refer to ANP4914 Chapter 6, Section 1
Completed the CadetNet Activity Roll?			
Undertaken Debrief with all participants and those that supported activity			Copy of notes to be attached

Unexpected Hazards and Risks arising during the risk assessment process or the activity: If an unexpected Hazard or risk arises at the site before or during the activity, the Supervisor is required to rate the risk using the SRA risk Matrix and determine an appropriate control or cease the Activity, complete the following table and advise the control measure to all members.

Step	Hazard	Risk	Control

Notes:

If the answer to any of the above is "No", comments are mandatory, and the activity cannot commence until the associated Hazard Risk Assessment or Standing Risk Profile has been reassessed, and the residual risk is assessed as being acceptable.

If the answer is Not Applicable (N/A), comments are mandatory.
